

VISTIGE GEAR OIL

SAE 90, 140, 80W90, 85W90, 85W140 GL-5

Vistige Gear Oil is blended with high quality mineral base oil and selective additives for use in heavy duty operations and used in commercial fleet, manual transmission, axles and final drives. Protects from rust & corrosion and low temperature properties and gives good start in cold weather.

MAIN BENEFITS

- Maximize equipment life and assist smooth shifting in manual transmission.
- Excellent anti-wear and anti-rust characteristics.
- Outstanding performance against low speed/high torque wear and high speed scoring.
- Resistance to oxidation and oil thickening.
- Protects against corrosion of ferrous and non-ferrous components.
- Compatible with all type of seals to avoid leakage.
- Excellent load carrying capability in severe operating conditions.

APPLICATION

Vistige Gear Oil is recommended for use in Hypoid gears, compatible with seal and gasket material used in automotive gears. Drive axle, trucks, and taxicabs, contracting and farming equipment.

SPECIFICATION

Vistige Gear Oil meets API service categories GL-5 and US military specification MIL-L-2105D.
