

VISTIGE EP GREASE

NLGI 2 & 3

Vistige Extreme Pressure Lithium Grease is made from refined mineral base oil thickened with lithium soap and enhanced with extreme-pressure agents. Extreme – Pressure greases are very effective in automotive and industrial applications.

MAIN BENEFITS

- Effective extreme pressure and load bearing qualities
- Outstanding water resistance.
- Good mechanical and thermal stability, maintains consistency throughout service life.
- Good anti-corrosion and anti- rust properties.

APPLICATION

Automotive applications such as wheel bearings, chassis points, universal joints. Industrial equipments applications between temperatures ranging from -30°C to 120°C. Good for both automotive and industrial equipments under constant load and severe shock loading conditions. Good mechanical and thermal stability, maintain consistency.

TYPICAL PHYSICAL CHARACTERISTICS

NLGI Consistency	2	3
Soap Type	Lithium	Lithium
Base Oil Type	Mineral	Mineral
Drop Point °c	180	185
Penetration, Worked @ 25° c (0.1mm)	270	240
Timken OK Value Kg	18	18
