

VISTIGE PREMIUM

SAE 40 & 50

Vistige Premium is a motor oil prepared for all gasoline and diesel powered passenger cars, light trucks and van including those fitted with turbo chargers. Originated with highly refined base stock and efficient additive technology to maintain oil cleanliness, engine wear and very good low temperature fluidity to ensure easy starting in cold weather and low volatility contributes to low oil consumption.

MAIN BENEFITS

- Excellent engine protection in severe weather conditions.
- Thermal stable. Anti wear, anti oxidant and long drain interval.
- Fuel economy and better cold starting.
- Low oil consumption and turbo proven stability.
- Longer drain interval.
- Oxidation resistant, good high temperature stability.

APPLICATION

Vistige Premium motor oil is recommended for severe operating conditions where high performance oils are required.

SPECIFICATION

Vistige Premium meets and exceeds the requirements of API SL/CF and can be used in all types of cars and light duty trucks. The product also meets ACEA E2-96 issue 3, ACEA A3-98/B3-98 issue 2/B4-02, MB 229.1, MAN 270/271, VOLVO VDS, MACK EO-L, MTU/DDU TYPE-1, ALLISION – C4

TYPICAL CHARACTERISTICS

SAE Viscosity Grade	40	50
Viscosity, cSt @ 100 °c	15	19
Viscosity Index	97	97
Pour Point, °c	-15	-12
Flash Point CoC °c	248	258
TBN ASTM D 2896	10	10
Apparent Viscosity – Cp	-	-
